

It's fun to share  
the things you love.

That includes your dentists.

With our "Refer-A-Friend" program, **BOTH** you and your referral receive a \$50 gift card of your choice!

We'd like to say "thank you" for your kind referrals of family and friends to our practice. So, for a limited time, **you'll receive a \$50 gift card of your choice each time you refer a new patient to our practice.** That's **EACH** new patient. Refer a handful of co-workers and pick up *a stack* of cards!

In addition, each person you refer will *also* receive a \$50 gift card at the conclusion of their first visit.\* It's a win/win/win proposition! You win, your friend or family member wins, and our practice wins a new, satisfied, long-term patient! Hey, what could be more fun?
